

# Optional appendix to the Patrimonial Inventory

Appendix to the Patrimonial Inventory of: \_\_\_\_\_

Dated: \_\_\_\_\_

You can provide the passwords to access your different social media accounts or Web applications in this section. For security purposes, listing passwords for accessing your online banking accounts is not recommended.

Note: Update this list regularly to reflect any password changes.

## Disclaimer

You should be very cautious with sensitive information that can facilitate identity theft or fraud. Therefore, the inventory and appendix must be saved in a secure place (notary's vault, safety deposit box or safe). The appendix containing passwords should not be stored with the Patrimonial Inventory.
